This report primarily concerns the visit to Bridge Street Elementary, King Avenue Elementary, Park Avenue Elementary, and Luther Elementary. These schools are in Deciles 1-3 and are designated for review according to the Williams Settlement.

The purpose of the visits as specified in California Education Code 1240 was to ensure:

- 2. To assess compliance with facilities maintenance to determine the condition of a facility that "poses an emergency or urgent threat to the health or safety of pupils or staff; and
- 3. To determine if the school has provided accurate data for the annual school accountability report card related to instructional materials and facilities maintenance.

The law further requires that the county superintendent annually monitor and review:

1. Teacher assignments in Decile 1-3 schools.

#### A basic definition of terms follows:

- "Sufficient instructional materials" means every pupil, including English language learners, has a textbook in the four core areas to use in class and to take home each night to complete required homework assignments.
- "Facilities standards" means that each school district who receives state funding for facilities is required to establish a facilities inspection program and to ensure that each of the schools is maintained in good repair.
- "Good repair" is defined as maintaining schools that are clean, safe and functional.

#### BACKGROUND AND SUMMARY INFORMATION:

Title 5, California Code of Regulations, Section 3051.16(b) states:

An educational interpreter shall be certified by the national Registry of Interpreters for the Deaf (RID), or equivalent; in lieu of RID certification or equivalent, an educational interpreter must have achieved a score of 4.0 or above on the Educational Interpreter Performance Assessment (EIPA), the Educational Sign Skills Evaluation-Interpreter and Receptive (ESSE-I/R), or the National Association of the Deaf/American Consortium of Certified Interpreters (NAD/ACCI) assessment. If providing Cued Language transliteration, a transliterator shall possess Testing/Evaluation and Certification Unit (TECUnit) certification, or have achieved a score of 4.0 or above on the EIPA - Cued Speech.

Our extensive recruiting efforts have yielded limited candidates to work with our Deaf and Hard of Hearing (DHH) population. Therefore, we have recruited within and encouraged a current Para-Educator with Signing Skills to work toward becoming a certified interpreter. This employee scored 3.8 on the EIPA (Interpreter Assessment) in September, 2016. Mr. O'Campo was provided a mentor (a certified interpreter) for the 2017-2018 school year who worked with him on specific focus areas, preparing him to take the interpreter assessment again in the very near future.

In order to employ Mr. O'Campo in the Interpreter capacity, we must apply for a waiver through the State Department of Education to allow Mr. O'Campo time to pass the Interpreter Assessment at the required 4.0 Level.

This waiver will allow for an intensive structured opportunity to support this Educational Interpreter to achieve skills needed to become certified at the required 4.0 level, while allowing students continued access to instruction with an interpreter who is continuing to refine his skills under a remediation plan to complete the minimum requirements.

David will work with the mentor to film samples of his work, self-assess the skill domains, and determine the root causes of issues with skills. Professional development activities will be developed for David to complete.

David will participate in group training sessions, workshops, conferences and any other organized professional development activities as they become available throughout the year.

#### **Specific Areas of Focus:**

(based on EIPA assessment feedback)

- Use additional process time to analyze the source message. Focus on identifying implicit information in the source message that needs to be explicit in the target message.
- Identify topical boundaries and shifts in topics. While sentence-level pausing was evident, awareness and marking of the teacher's shifts in topics was frequently not evident. Focus on the educator's curricular goals and ensure that these are clearly marked and emphasized.
- Spatial organization (building a visual scaffold for your interpretation), particularly in incorporating
  classifiers in an area identified for further development. This will assist with the ability to
  accurately render a model presentation of a specific topical focal point. Continue to develop
  familiarity with a variety of classifiers and be sure to label classifiers with either a sign or
  fingerspelling.
- Fairly good use of fingerspelling was noted. Continue to develop analysis of lesson content for key terms that need to be finger spelled.

Re: Sutter County Investment Portfolio Report for September 30, 2018

Following is the Sutter County Investment Portfolio report as of September 30, 2018. The schedule includes all short-term, mid-term and long-term investments held at the conclusion of business on the final day of the month. The Sutter County Treasurer and Tax Collector is given authority over the pooled investment portfolio through Board delegation pursuant to Government Code §27000.1. Investment activities of the pooled treasury are governed by Government Code §53601 as incorporated in the Sutter County Investment Policy. Investment of the county's, school districts' and special district's surplus funds start with the objective of safety of the principle to minimize possibility losses. Following safety is the liquidity objective to provide coverage of day to day operations and to meet contingency as they arise. The final objective is earning a reasonable return or yield on the funds invested. The Sutter County Investment Policy may be found on the Treasurer's webpage at: <a href="https://www.suttercounty.org/assets/pdf/ttc/Investment">https://www.suttercounty.org/assets/pdf/ttc/Investment</a> Policy 2018.pdf

As Treasurer and Tax Collector, I certify that this document reflects the government agencies' pooled investments and that all investments are in compliance with the County of Sutter Investment Policy.

The combined cash and investments in the county treasury total \$216,865,748 and will provide sufficient cash flow liquidity to meet estimated pooled treasury expenditures for the next six months.

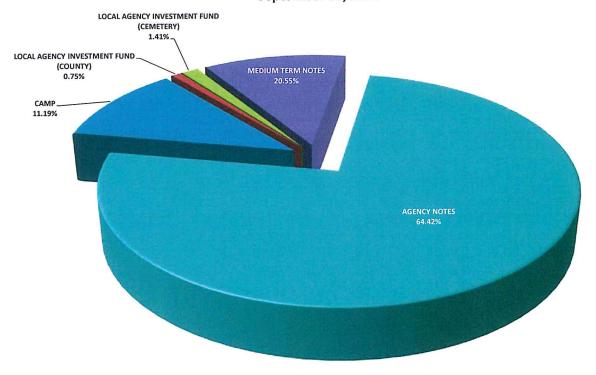

Invested treasury funds total \$206,948,359 with \$27,634,841 under the management of the Local Agency Investment Fund and California Asset Management Program. The Bank of New York, which provides third-party safekeeping services to Sutter County, provides market value data. The dollar-weighted average maturity of invested funds is 939 days.

Investments are selected based on criteria contained in the Sutter County Investment Policy, which emphasizes safety, liquidity, yield and diversification. Therefore, the interest rates will fluctuate, and the types of investments will vary depending upon county needs and market availability on a particular day.

Respectfully submitted,

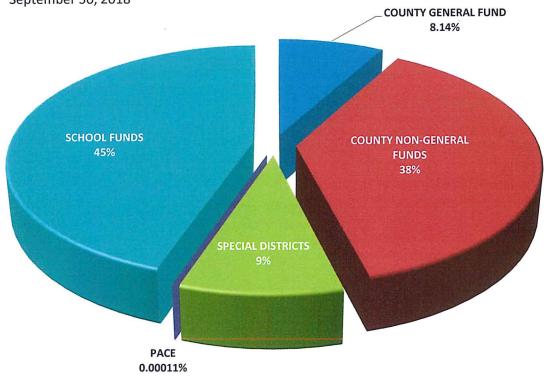

Steven L. Harrah, CPA Treasurer and Tax Collector

- 3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally suffered the unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged unlawful discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)
- 4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
- 5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when he/she is not the complainant, requests confidentiality, the compliance officer shall inform him/her that the request may limit the county's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the County office shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

#### Mediation

Within three business days after the compliance officer receives the complaint, he/she may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful

discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the county's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the County office shall take only the actions agreed to through the mediation. If mediation is unsuccessful, the County office shall then continue with subsequent steps specified in this administrative regulation.

#### **Investigation of Complaint**

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the County's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in

the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the County's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the County office shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the county to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

#### **Report of Findings**

Unless extended by written agreement with the complainant, a final decision shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint. Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five business days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. When required by law, the matter shall be considered in closed session. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint by the county office or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

In resolving any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent also shall be sent the county's decision and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

#### **Final Written Decision**

The County's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant and respondent. (5 CCR 4631)

In consultation with legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the county's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. He/she may pursue available civil law remedies outside of the County's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal

with the CDE. (Education Code 262.3)

The County office may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the county does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the County office shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education.
