Listening and Speaking for English Learners in a Virtual Environment

Thursday, September 10th

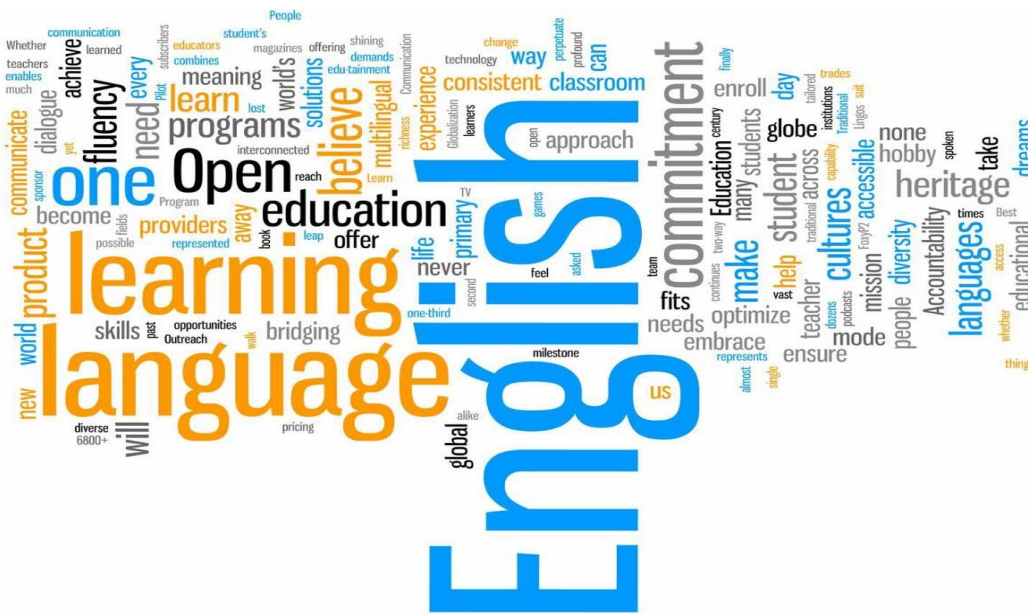

Providing designated time to support English learners to improve their listening and speaking skills can be challenging in distance learning. Join us to investigate strategies and tools to support students' abilities to engage in collaborative discussions about content and texts.

Reading and Writing for English Learners in a Virtual Environment

Thursday, September 17th

Ongoing targeted support for English learners as they interact with texts in reading and writing is essential in distance learning. Join us to investigate strategies and tools to support students' abilities to access complex text and respond in writing.

**Zoom links for sessions will be sent to registered participants the day before the session.
