The Technology Department provides computer and technical services among the Superintendent's Office, Feather River Academy, and Sutter County One Stop. It designs and supervises construction of all local and county-wide area computer networks for the county office. The department assists school districts in Sutter County to establish networks and systems within their schools and to connect to the county-wide area network. It also maintains a county-wide technology plan, the county HP 3000, and the QSS financial system.

rachelk@sutter.k12.ca.us

The Tri-County Induction Program is required for teachers in their first and second year of instruction in order to clear their California Multiple Subject, Single Subject, and/or Career Technical Education Credential. Participating school districts in the tri-county region are provided a comprehensive induction program for their new teachers. The Tri-County Induction Program fulfills all requirements for new teacher induction and authorization for a clear credential.

FAX: (530) 292-3538

Shady Creek Outdoor School, located in Nevada City, serves approximately 5,000 fifth and sixth grade students from 40 school districts in eight Northern California counties. The program operates during the school year and emphasizes an enthusiasm for learning, caring, self-empowerment, and cooperation with others. Our science curriculum is aligned to California Science Content Standards as well as the California Common Core State Standards for ELA. Students study ecology, adaptations, conservation, wilderness survival, cycles and changes, meteorology, watersheds and stream study, in an environment focused on empowerment and personal growth.

Special Education provides programs and services for individuals with disabilities from infant through age twenty-two. Individual Education Plans (IEPs) and Individual Transition Plans (ITPs) are established to ensure quality education to meet students' unique needs. Special Education includes those students with difficulties in speech, hearing, learning, and cognitive development.

The Infant Program provides early-intervention educational and therapeutic services which may reduce the number of children who will need intensive or long-term services at a later date. This program includes trans-disciplinary assessment, parent support group, speech and language, parent participation, and coordination with other agencies.

Feather River Academy operates three programs for students in need of an alternative academic experience. The main campus program offers students an opportunity to address credit deficiencies and/or discipline concerns in a high school-like atmosphere. The independent study and opportunity programs offer educational experiences on an individual and/or small group basis.

Located on the Sutter County One Stop campus are the following programs: Adult Education; Regional Occupational Program Classes; Workforce Investment Act (WIA) for all of Sutter County; Employment Development Department Services; Workability I & II (serving disabled populations); and specialized projects that focus on

at-risk populations. Assistance is provided to job seekers in job search, job referral, and career option research. Service is also provided directly to local businesses, i.e., small business development resources, tax incentives, assistance with new employee recruitment, a resource library, and meeting rooms. In addition, Sutter County One Stop has a contract with Sutter County Welfare and Social Services to provide staff to conduct the CalWORKs program. Sutter County One Stop uses a diverse offering of training and educational opportunities to serve both youth and adults in their efforts to complete education and vocational training goals as well as enhancing existing skills for better employment opportunities.

The Tri-County Regional Occupational Program (ROP), which serves Colusa, Sutter, and Yuba Counties, provides high quality job training and career guidance for in-school students (grades 9-12), out-of-school youth, and adults. The program works cooperatively with industry and business to provide these services to over 5,000 persons who will be entering the labor force and/or upgrading their skills.

SOCIAL CONTRACT

• Communication

I will communicate with others in an open, honest, and nonjudgmental manner, appropriate to the audience and setting, seeking mutual clarity and understanding.

• Respect

I will demonstrate respect for others by honoring and valuing others' roles and responsibilities and consistently modeling actions that contribute to an environment of honesty, trust, and open, non-judgmental communication.

• Clear & High Expectations

I will define and communicate expectations and provide feedback in a clear and timely manner which will challenge and encourage others to give 100% effort to attain professional and personal growth.

• Accountability

I will account for my activities, accept responsibility for them, seek feedback, and disclose the results in a transparent manner.

• Confidentiality

I will follow formal systems for confidentiality and honor personal need for privacy.

• Kind/Caring/Supportive

I will demonstrate encouragement, concern, and support, in words and deeds for what another is experiencing.

• Professional

I will model a high standard of ethical, professional behavior through consistent actions and conduct.

• Trust

I will create a safe environment of mutual confidence by being reliable, honest, and acting with integrity.

• Positive "Intentionality"

I will act with positive intentions and will give others the benefit of the doubt by believing they are honest, reliable, and have positive intent.

• Positive Attitude & Service

I will provide excellent service acting in the best interest of students, staff, and community in a proactive and positive manner.

• Team Player

I will be a consistent, collaborative participant, contributing to the greater good of the team.
