## Notice to Parent or Guardian of English Learners

Sutter County Superintendent of Schools Office receives Title III funding from the federal government to help English learners to speak, read, and write in English and to achieve in reading and mathematics. School districts and other agencies that receive Title III funds are reviewed each year to see if they meet three objectives for their English learners:

- Progress in learning English
- Progress in the percentage of students who become proficient in English
- Academic targets in English-language arts and mathematics
- Title III law states that Local Educational Agencies (LEAs) that do not qualify for a \$10,000 grant award must form a consortium with other LEAs so that together they qualify for a grant award of at least \$10,000. For the 2013-14 school year, SCSOS in a consortium with other school districts receiving Title III funds. The consortium as a whole did not meet one or more of these targets. We did not meet the percentage of English Learners (ELs) making annual progress in learning English. The target was 56%. We attained 50.3%. We did not meet the progress in the percentage of students who become proficient in English on the CELDT for students in our schools over 5 years. The target was 45.1%. We attained 32.2%. We also did not meet the academic targets in English-language arts and mathematics.

If you would like more information about how your child is performing on these targets, please contact your child's teacher or school.
