

## About Us

The Tri-County Induction Program is a three county consortium that has prepared and supported new CTE teachers since 2011. We serve new teachers in Sutter, Yuba, and Colusa counties.

## What's the Process?

***CTE Teachers who are seeking to acquire a Clear Teaching Credential will:***

- Be matched with a program-trained mentor
- Receive two years of weekly individualized support
- Receive training that will prepare them on fundamental precepts and practices of education
- Document evidence based on individual growth on the TPEs and CSTPs over the two-year program
- Receive specific training on working with English Learners

## Sutter County Superintendent of Schools

## Tri-County Career Technical Education Program

## Why CTE?

CTE provides students and adults with the academic and technical skills, knowledge and training necessary to succeed in future careers and develop skills they will use throughout their careers. It prepares students for the world of work by introducing them to workplace competencies, and makes academic content accessible to students by providing it in a hands-on context.

## Already Teaching

### ***CTE Teachers who already hold a Clear Teaching Credential will:***

- Receive ongoing individualized support for duration of the program
- Receive training that will prepare them on fundamental precepts and practices of CTE education
- Learn through use of 21st century computer education skills and how they apply to the classroom

*If you have three years or more of work experience in one of the following industry sectors, you can use your knowledge and skills to teach others:*

- Agriculture and Natural Resources
- Arts, Media, and Entertainment
- Building and Construction Trades
- Business and Finance
- Education, Child Development, and Family Services
- Energy, Environment, and Utilities
- Engineering and Architectures
- Fashion and Interior Design
- Health Science and Technology
- Hospitality, Tourism, and Recreation
- Information and Communication Technologies
- Manufacturing and Product Development
- Marketing, Sales, and Service
- Public Services
- Transportation

## Vision

The Tri-County Induction Program aspires to create a collaborative learning community that is committed to the ongoing growth and retention of new and veteran teachers and administrators while promoting habits of reflective and effective instruction and instructional leadership.

## Mission

The mission of the Tri-County Induction Program is to prepare educators and educational leaders to create a diverse, equitable, inclusive and collaborative learning environment where all students achieve social and academic success.
