2021–22 School Accountability Report Card

Reported Using Data from the 2021–22 School Year

California Department of Education

Address: 1895 Lassen Blvd.
Yuba City, CA , 95993-8987

Principal: Chris Reyna

Phone: (530) 822-2400

Grade Span: 7-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Principal, Feather River Academy

About Our School

Welcome, I am honored to be the principal of Feather River Academy. I look forward to serving and supporting students, staff, and families as your principal as we continue to create an atmosphere of learning. At Feather River Academy we will continue to focus on customer service, academics, and safety. You can count on me to have an open-door policy. I can be reached directly via email at chrisr@sutter.k12.ca.us or by phone at (530) 822-2400.

EDUCATIONAL FOCUS

Feather River Academy Academy provides an educational opportunity that offers a California standards-aligned curriculum, individualized instruction through a seat program learning approach designed to maximize the growth of all students, and a goal-oriented program to help every student realize his or her potential.

All students will complete a comprehensive intake assessment to create an individualized success plan that includes a rigorous individualized learning plan tailoring students' education to their personal needs, strengths, weaknesses, abilities, and interests. Social-emotional-behavioral supports, career exploration and preparation, and college attendance are vital components of our educational focus to make learning relative and meaningful.

School Description and Mission Statement (School Year 2022–23)

Feather River Academy (FRA), established in 2005, serves as one of two county community schools in Sutter County. FRA is a part of the Sutter County Superintendent of Schools County Office of Education. FRA is a program designed to meet the needs of students who may not find success in the normal comprehensive high school and middle school setting. FRA accepts referrals for Sutter, Yuba, and Colusa county students who are referred because of expulsion, probation involvement, or school of choice. FRA provides a unique individualized educational setting to assist students in reaching their academic and personal goals. FRA promotes respect for cultural diversity and inspires integrity and respect for self and others. Classroom practices foster intellectual and social development; engage students in problem-solving, higher-order thinking skills, and learning activities that make the subject matter relevant to daily life. Furthermore, through the daily incorporation of Positive Behaviors Interventions and Supports (PBIS) and our Professional Learning Communities (PLC) practices, which re-enforce our school-wide academic expectations, we strive to equip students with the skills and knowledge that empower them to be ethical, literate, responsible and contributing members of their community.

Mission Statement

In order to prepare students to live in and contribute to a changing world and engage in active, lifelong learning, Feather River Academy ensures that all families and students are welcomed and encouraged to be connected to the school. By promoting and modeling healthy relationships with peers and families, FRA provides a balanced, varied school curriculum designed to meet the academic, cultural, and social needs of individuals from the diverse backgrounds of our community.

Vision Statement

- Develop relationships among students, families, staff, and peers that emphasize respectful and responsible behavior in all endeavors
- Provide a focused alternative academic program that is driven by individual student goals
- Teach healthy coping skills and emotional competence to help students become healthy functional adults
- Prepare our students for a successful personal and professional future through skill-building and work-readiness programs
- Promote an inclusive school environment where students will be provided physical, cultural, social, and emotional safety
- The administration and staff have high expectations for our students and strive to give them the opportunity to either return to the comprehensive high school or graduate from FRA. We strive to provide caring, support and encouragement.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Feather River Academy has achieved an overall ranking of 98% (Good) on the Facility Inspection Tool (FIT) assessment. The indication is the school is properly maintained, and in good repair with a number of non-critical deficiencies, which are isolated, resulting from minor wear and tear, and are in the process of being mitigated.?

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	6%	N/A	17%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	6%	N/A	11%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education (CTE) Programs (School Year 2021–22)

Students who enroll at Feather River Academy are required to go through an orientation process where the students are assessed in multiple ways and an Individual Learning Plan (ILP) is developed for each student. Part of this intake process is to gather information on what career paths students are interested in pursuing. Using the combination of data from the assessments and the student interest, the counselor works with the students and their families to identify strengths and areas for growth. Students are then be guided toward the appropriate CTE courses that match their interests and goals.

Students at FRA have access to CTE courses through two avenues of study. One avenue is online through our adopted curriculum program: Edgenuity. Edgenuity provides a catalog of highly relevant CTE courses that empower students to explore their interests by engaging with 16 Career Clusters, 11 Career Pathways, and 17 Certification Pathways including multi-year support for high-demand, high-interest careers, and job certification readiness.

Students at FRA also have access to CTE courses available through the Sutter County Superintendent of Schools CTE program that serves the tri-county area of Sutter, Yuba, and Colusa counties. Students are able to participate in pathways that are relevant, high-demand and high-interest careers. Sutter County CTE offers 15 Career Pathways where students are able to engage in high-quality courses that empower students and provide an opportunity for success after high school. Tri-County CTE provides courses both on-site and in the community for students to pursue their career interests.

CTE courses in both Edgenuity online and our county CTE program are standards-based, the state adopted, and taught by certified instructors.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2022–23)

Parents are encouraged to participate in all aspects of their child's education. Parents attend the orientation meeting with the principal, school counselor, and probation officer to discuss appropriate placement, the status of credits, the course of study, and expectations for attendance and behavior. The Principal and the teaching staff communicate with parents via phone calls, parent square, email, and in person with parents to report on student progress. Parents are invited to activities on campus including assemblies, breakfasts, graduations, and classroom visits. Furthermore, parents are strongly encouraged to contact FRA staff to share concerns, ask questions, or conference with teachers.

The FRA's parent advisory committee reviews documents and provides input on items such as programs, needs assessments, and funding. Diligent efforts are ongoing to form additional parent committees as needed. Due to the transient nature of our student population, the formation of parent committees is challenging. Efforts are being made to obtain parent input during initial and orientation meetings, and by the principal and staff throughout students' tenure. During the orientation, parents are encouraged to participate in FRA by identifying times and activities in which they are interested or in which their children show interest.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions for School Year 2019–20 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	17.58%	8.01%	2.45%
Expulsions	0.00%	0.00%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	3.13%	38.89%	1.09%	8.91%	0.20%	3.17%
Expulsions	0.00%	0.00%	0.00%	0.17%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

School Safety Plan (School Year 2022–23)

The FRA Safety Plan is reviewed annually in December and January by a school site team comprised of parents, staff, and administration. The School Safety Plan is presented to the Sutter County Superintendent of Schools Safety Committee for input and approval in February. The current plan was approved in February 2022. This plan is in the review process and the updated plan will be presented to the School Safety Committee in February 2023.

The purpose of this Plan is to provide a framework for school staff to organize the resources of the school and community to respond to and manage emergencies while school is in session. The main objectives of this Plan are to:

1. Protect the life, safety, and property of students and staff.

2. Provide Feather River Academy mission specific guidance to personnel relative to emergency preparedness, response, and recovery operations
3. Articulate a Feather River Academy mission statement with regard to emergency preparedness, response, and recovery operations.
4. Identify the location and layout of the primary and alternate emergency operations centers (EOC) for Feather River Academy. Additionally, provide locations for pre-plan command post locations.
5. Identify the location of critical facilities.
6. Provide for timely business recovery and restoration of services following a disaster or emergency.
7. Facilitate the resumption of normal outdoor school activities in a timely manner.

The emergency management teams and procedures outlined in this Plan are consistent with both the STANDARDIZED EMERGENCY MANAGEMENT SYSTEM (SEMS) developed by the State of California, and the NATIONAL INCIDENT MANAGEMENT SYSTEM (NIMS) developed by the U.S. Department of Homeland Security. This Plan presents specific standardized procedures to be used in preparing for, and responding to, school emergencies.

Types of Services Funded (Fiscal Year 2021–22)

Programs and supports provided by FRA to support and assist students fall under two guidelines: academic support and behavior support.

Academic Supports:

Upon enrollment in FRA, students are assessed for their current academic levels in English Language Arts and Math. Students also work with administration, school counselors, as well as classroom teachers to identify and set goals for the student. Academic assessments are administered using an online platform, Renaissance, and teacher assessments. Students participate in academic instruction delivered by use of state-adopted curriculum in our Edgenuity online curriculum. In addition to English Language Arts and Math, students also receive instruction in Social Studies, Science, Social Skills, electives courses, CTE, and intervention programs. In addition to the teacher providing a small classroom setting, which increases academic support, FRA has three instructional aides to support all students in academics, planning, and goal setting. These instructional aides are integral in providing targeted interventions to all students.

To support the academic program, a variety of technology is utilized in the FRA classroom instructional program, including Chromebooks, Internet access, Interactive “SMART” boards, and audio/video outputs. FRA students participate in the same district and state mandated-assessments required for all students in Sutter County. Staff participates in professional development to support students in their academics. They participate in professional development for Edgenuity, PLC training, Aeries, Go Guardian, Google classroom, and blended learning.

FRA has also dedicated funding for a full-time student attendance and outreach coordinator to increase attendance and improve engagement.
