2017-20 Plan Summary

THE STORY

Briefly describe the students and community and how the LEA serves them.

The Winship-Robbins School District serves students TK through 8th grade as well as 3 and 4 year olds in our all day preschool. Robbins is a small, rural school in the center of the Sutter Basin, in southern Sutter County. Known for its community involvement and warm, neighborly atmosphere, Robbins School strives for academic excellence through high expectations and strict compliance to the California Standards. At Robbins, our goal is to provide educational experiences that will: • Promote and encourage literacy for all students • Promote a responsible, confident attitude in our students • Establish an intrinsic need for lifelong learning • Develop a strong sense of right and wrong • Encourage students to accept new challenges and risk failure • Encourage students to pursue academic excellence • Teach students to value individual differences. Our staff is dedicated to providing our students with a positive, safe educational experience that enables our students to attain his or her potential. Consistent with our District Strategic Plan, each student and teacher has an individual list of goals to accomplish on a regular basis.

Our student population of 158 students is comprised of 50 % English Language Learners, 92% of our students receive free and reduced lunch, and 46% of our students are inter-district transfers.

Our staffs who directly affect student achievement include a superintendent/principal, one director of curriculum and Instruction and eight teachers, four paraprofessionals, and one technology expert. There is a dedicated team of classified staff members who support all functions of the school district. The district authorizes two charter schools that are required to create their own LCAP.

LCAP HIGHLIGHTS

Identify and briefly summarize the key features of this year's LCAP.

Working closely with stakeholders throughout the district and through the analysis of our state and local data, five goals have been identified as our focus areas for the next three years.

Goal 1.0 Ensure that all students are college and career ready by providing rigorous, relevant, and high quality instruction as well as close any achievement gaps.

Goal 2.0 Utilize a broad course of study which includes ELA/ELD, Mathematics, Social Science, NGSS, Visual and Performing Arts and Physical Education that academically challenges all students and develops citizenship, leadership, and innovative thinking.

Goal 3.0 Through community outreach, develop and cultivate positive relationships between staff, students, parents, and the community to create a safe and welcoming environment that will ensure the a successful learning environment for all students.

REVIEW OF PERFORMANCE

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or informed improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

GREATEST PROGRESS

Our students which include; low income, English learners, and special education students, benefited from our school's dedication to systems of standards-based instruction with sixweek accountability data systems. We have seen significant gains in achievement by all populations of students. In ELA our students with disabilities made a 49.4 point gain and our EL students made a 60.4 point gain in math. We are proud of the progress our school has made this year. Next year our school will participate in a Multi-Tiered Support Systems which will provide support in the area of academic interventions and additional trauma training to further develop our learning environment to meet the unique needs of each student. According to the LCFF Rubrics, Winship-Robbins student, staff and parent satisfaction and achievement rates were in the green. In addition, the LCFF Rubrics reflect that chronic absenteeism is not an area of concern. Winship-Robbins daily attendance rate is 96%.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

GREATEST NEEDS

During the 2015-2016 school year, there were two students who struggled with behavior choices which due to our size resulted in our LCFF dashboard showing yellow in suspension rates. We have addressed the needs of these students. In the areas of achievement, our greatest need is our special education students in the area of math. The MTSS will provide support in both academic areas and behavior intervention areas.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

PERFORMANCE GAPS

The Winship-Robbins School District using the LCFF evaluation rubrics does not have any groups of students with two or more levels below all students in performance with the exception of suspension rates. Research based best practices will be used to address gaps such as:

- Small Group Instruction
- Use of Manipulatives
- Concept and Vocabulary Development

INCREASED OR IMPROVED SERVICES

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

The Winship-Robbins School District will implement an ELD vocabulary toolkit, Longman's Dictionaries, and Newsela Subscription as well as Go Math Consumables to support low-income and EL learners. These resources along with situational coaching by the TAC and county office support will increase student achievement. On-going assessments will confirm and required course correction and targeted intervention using the MTSS in all areas of student service.

BUDGET SUMMARY

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION	AMOUNT
Total General Fund Budget Expenditures for LCAP Year	\$2,252,282
Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for LCAP Year	\$1,524,790

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

Administration, Preschool, Maintenance and Operations, Instruction, and contracted services

\$1,461,068 Total Projected LCFF Revenues for LCAP Year

Annual Update

LCAP Year Reviewed: 2016-17

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

- 1.0 At the end of the 2016-17 school year, 80% of all students (including English Learners, Low Income, Foster Youth and White subgroups) will score Proficient on the year-end District Reading Fluency Assessment.
- 1.1 School attendance rates are 96.8% district-wide.
- 1.2 Less than 9% of absences are chronic absentees, defined as students who have been absent more than 10% of attendance days at any given time in the school year.
- 1.3 No middle school students are reported in CALPADS as dropouts.
- 1.4 SARC reports pupil suspension rate is .55% for 2013.

State and/or Local Priorities Addressed by this goal:

5	STATE	⊠ 1	⊠ 2	□ 3	□ 4	⊠ 5	⊠ 6	⊠ 7	⊠ 8				
(COE	□ 9	□ 10)									
L	LOCAL												

ANNUAL MEASURABLE OUTCOMES

EXPECTED

- 1.0 85% all students will score Proficient on district fluency assessments.
- 1.1 Maintain 100% of appropriately assigned teachers and 90% of highly qualified teachers.
- 1.2 Staff will align CCCSS ELA and Next Generation Science Standards.
- 1.3 Design a district attendance calendar to maximize instructional minutes as well as PD minutes for staff.
- 1.4 All students will continue to have access to the core courses, including ELA, Math, Social Studies, Science, PE, Health, and Visual and Performing Arts.
- 1.5 Maintain a sufficiency of instructional materials.

ACTUAL

- 1.0 Between 85%-90% of all students scored proficient on district fluency assessments.
- 1.1 90% of teachers were highly qualified and/or in a program working towards their clear credential.
- 1.2 Units were developed that aligned the ELA standards with the NGSS.
- 1.3 Attendance calendar was designed to maximize instructional minutes and PD for staff.
- 1.4 Students had access to all core courses throughout the school year.
- 1.5 There were sufficient instructional materials of instructional materials for all students provided at the beginning of the school year.

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action

1

Actions/Services

Expenditures

PLANNED

a. Because of the change to the CCCSS, there is a need for additional staff development time to be included in the yearly calendar. Analyze district instructional minute change per the 2013 Audit Guide. Design a district attendance calendar to maximize instructional minutes as well as PD minutes for staff. Three additional days on the calendar for staff development.

ACTUAL

Due to the implementation of two new curricula, additional staff development was included in the yearly calendar. We analyzed district instructional minutes and a district attendance calendar to maximize instructional minutes as well as PD minutes for staff was developed. Three additional days on the calendar for staff development.

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We used surveys and multiple assessments of data throughout the year to determine the effectiveness of the PD and on-going intervention. We responded to surveys in the fall and in the spring. We analyzed assessment data every six weeks and set goals every two weeks for students and staff. We monitored attendance each month.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Based on the dashboard results, LCFF Evaluation rubrics, and assessment data, we had an increase in achievement data resulting in a 10 out of 10 in similar school ranking and 40 point increase in special Ed and El populations in specific areas. Our school climate surveys completed by students, parents and staff show high levels of engagement 72%, safety 83% and climate at 69%. Our attendance rate was 96% with less than 2% of our students as chronic absenteeism.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Due to the need for resources, coaching, tech and data support as well as the adoption of a new ELA curriculum, expenditures exceeded the budgeted amounts in personnel support using the data analysis expert and the teacher-academic-coach (TAC), the bi-lingual secretary. Instructional and nutritional support resources also exceeded the budgeted amount.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

With stakeholder input, we determined that we needed to rewrite this goal which is now Goal #1 for the 17-18 LCAP.

Goal 1.0 Ensure that all students are college and career ready by providing rigorous, relevant, and high quality instruction as well as close any achievement gaps.

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

2.0 At the end of the 2016-17 school year, the percentage of students designated as Long Term English Learners will drop from 5% to 2% as measured by the CELDT test. Early intervention will ensure a low rate of LTEL's.

State and/or Local Priorities Addressed by this goal:

ANNUAL MEASURABLE OUTCOMES

EXPECTED ACTUAL

At the end of the 2016-17 school year, 2% or less of ELs will be LTELs.

At the end of the 2016-2017, there were less than 2% of LTELs in the district. According to the LCFF and local indicators 75%-85% of the EL Learners met CELDT and grade level standards.

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Professional development time focused on the implementation of the CA standards and materials in Mathematics and ELD. All students received ELD and mathematics instruction using CA standards-aligned instructional materials, and were provided intervention as needed. We used surveys and multiple assessments of data throughout the year to determine the effectiveness of the PD and on-going intervention for math instruction and math achievement. We responded to assessments throughout the year with additional PD and interventions for students. Staff monitored and continues to monitor all reclassified English Learners. We did not adopt Math 1XL.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Based on the dashboard results, LCFF Evaluation rubrics, The nation normed MAPS assessment and other local assessment data, we had an increase in achievement data resulting in all groups of students scoring above a level three.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There was an increase of \$3,271 over the budgeted amount because of the adoption of new math curriculum for grades K-5.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

With stakeholder input, we determined that we needed to rewrite this goal which is now Goal #3 for the 17-18 LCAP.

Goal 3.0 Through community outreach, develop and cultivate positive relationships between staff, students, parents, and the community to create a safe and welcoming environment that will ensure the a successful learning environment for all students.

Clean, healthy, physically and emotionally safe learning environments, from the curb to the classroom, are conducive to student learning. Services that guide Social-Emotional Learning help students who are struggling socially, emotionally, behaviorally, and or academically. Access to libraries, intervention services, and extra-curricular activities both in and outside of school foster student engagement.

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 4

4.0 Ensure access to and mastery of 21st century learning tools, resources and skills for all staff and students.

ANNUAL MEASURABLE OUTCOMES

EXPECTED ACTUAL

Fund teacher for low class size in 6th-8th \$61,800 w/ benefits.

A teacher in grades 5th-8th is partially funded through Title 1 to reduce class sizes.

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action

1

Actions/Services

Expenditures

PLANNED

a. Recruit and hire a teacher for lower class size in grades 6th-8th.

ACTUAL

a. Class size was reduced and support increased.

BUDGETED

a. \$61,800 w/ benefits

1000-1999 Certificated Personnel Salaries

ESTIMATED ACTUAL

a. \$26,924 50% of FTE was funded from Title 1 funds.

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

All teachers were retained and one teacher in grade five was partially funded with Title 1 funds to reduce class size and keep all classes under 23 students in order to increase achievement.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The Winship-Robbins retained all teachers from the 2016-2017 school year and all staff who do not have a cleared credential have been working with Sutter County Office of Education to progress to a highly qualified status.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

None

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

This goal has been combined with action 1.2 in goal 1 in the 2017-18 LCAP.

With stakeholder input, we determined that we do not need Goal 5 in the 2017-2018 LCAP due to the fact that we will have all teachers highly qualified by December 2017.

Stakeholder Engagement

LCAP Year

X 2017–18 2018–19 2019–20

INVOLVEMENT PROCESS FOR LCAP AND ANNUAL UPDATE

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

At the June 2016 board meeting, the districts started actively informing and inviting stakeholders via the back-to-school letter and school "all call" phone calls for the August 24th Back to School night and parent meeting to include all stakeholders in the process of evaluation of the LCAP goals.

- * August 10^{th,} 11th and 12th as well as 8/24, 9/14, 9/28, 10/5, 10/19, 11/9, 9/30, 12/14, 1/11/17, 2/8/17, 2/22/17, 3/8/17, 3/22/17, 4/5/17, 4/26/17, and May 24th. The district met with all instructional staff to get their input on the LCAP goals, actions and services as well as progress made on the LCAP goals throughout the school year.
- * Our Site Council serves as our Parent Advisory Committee met on December 6, 2016. The LCAP discussion is an agenda item on almost every Site Council meeting beginning December 6, 2016. Parent Meetings and School Site Council meetings were held in March 2017 and April 2017.
- * The LCAP was presented and discussed at the community meeting held in Knights Landing on September 28, 2016. All parents and community stakeholders were invited to the LCAP meeting. Surveys were also passed out at the meeting.
- * The ELAC/DELAC Meeting was held on November 3, 2016 in the Robbins Multiple Purpose Room. The LCAP was shared with all stakeholders and input was requested from all parents present.
- * Regular presentations to the school board are made every month regarding LCAP goals and input is received by the superintendent each month. At the October 12th, November 9th, January 11, 2017, March 8th, and April 12th board meetings LCAP and survey results were presented to the board and posted on our district website.
- * Surveys were developed for students, staff and parents to measure climate, engagement and safety across the district. Parent surveys were distributed and collected in October 2016 and March 2017. Results of these surveys were shared with all stakeholders.
- * The district received great input and ideas from stakeholders. Updates on LCAP goals were shared.
- *As a result of the extensive effort to have all stakeholders attend the meetings the district met the statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representative parents of pupils identified in Education Code section 42238.01
- * LCAP Public Hearing Scheduled June 7th, 2017, October 3, 2017
- *Board approval for LCAP is scheduled for June 14, 2017.

Board approval -final LCAP - October 11, 2017

The Winship-Robbins School District has no collective bargaining units.

IMPACT ON LCAP AND ANNUAL UPDATE

How did these consultations impact the LCAP for the upcoming year?

In discussion with our stakeholders, the following areas were identified as important actions for the 2017-2018 LCAP.

- * Goal 1.0 Ensure that all students are college and career ready by providing rigorous, relevant, and high quality instruction as well as close any achievement gaps.
- * The district is committed in 2016-2017 due to staff, parent and student input to maintain high quality instruction and provide additional resources to help meet the goals in our multi grade classrooms and to offer more 1:1 support to students in our sub groups and to all students.
- * The district plans to participate in the MTSS structure to continue meeting needs of all students through staff development and flexible placement in response to stakeholder feedback and data analysis.
- * Goal 2.0 Utilize a broad course of study which includes ELA/ELD, Mathematics, Social Science, NGSS, Visual and Performing Arts and Physical Education that academically challenges all students and develops citizenship, leadership, and innovative thinking.
- * The impact on the LCAP goals have resulted in our district having a more transparent view of how our district can truly serve and educate our students in every category and with a board course of study, not just those that are identified, but even above and beyond to improve the district as a whole. The school district is the main entity in the community binding the community together.

Goal 3.0 Through community outreach, develop and cultivate positive relationships between staff, students, parents, and the community to create a safe and welcoming environment that will ensure the a successful learning environment for all students.

*The Superintendent used information from the State Superintendent's Office, CDE, and information from the Sutter County Office of Education, parent meetings, staff meetings, assessment scores, site council, healthy kids survey, staff surveys, parent surveys, and Student council meetings as data points to help make decisions regarding the districts LCAP and the need for community outreach.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year

X 2017–18 2018–19 2019–20

The Winship-Robbins School District received \$339,177 in supplemental and concentration funds of the LCFF supporting our 87.21% unduplicated pupils. The majority of these funds will continue to be spent on personnel hired to support student achievement. The largest amount of funding is principally directed at a Teacher Academic Coach (TAC) to effectively support unduplicated students. We're also using funds to support para-professionals to increase intervention time and reduce the adult to student ratio percentage to increase achievement. Our TAC has been actively pursuing research-based, standards-focused professional learning for all our teachers this year. They use the time provided in district-wide early release Wednesdays as their primary vehicle for teacher support. We strongly believe that investing in our teachers supports student achievement.

We want our students to be successful in their regular classrooms. This coming year, we will focus professional learning in some key areas: building and maintaining Professional Learning Communities, focusing on implementation of new vocabulary curriculum as well as implementing the ELA/ELD framework using Kate Kinsella models of instruction. The allotments in the LCAP reflect suggested allocations for ELD/Intervention paraprofessionals and a TAC.

The demographics of the Winship-Robbins District indicate that 92% of our students qualify for free and reduced meals. The district also has 50% of the student population are English Learners. These demographics indicate the need for all district goals to be targeted to closing the achievement gap for these targeted populations. By implementing the goals and action steps listed above which are effective and principally directed, we will close the achievement gap. Our district is committed to personalize learning and high achievement through excellent teaching and learning as well as strong accountability systems. Each student is closely monitored for success throughout the school year. By providing these services district wide, we are able to reach and serve the populations that generate the funds. Robbins Elementary receives and operates under schoolwide Title 1 programs.

The implementation of services will be measured both qualitatively and quantitatively.
