RE: Mini-Grant Applications

The medical collaborative is pleased to increase the mini grant allocation for an amount up to \$2,500.00 for each successful grant application.

The collaborative has noted an increase in medical billing for grant distribution, along with an increase in the number of creative and high quality grant submissions.

If you have any questions regarding the grant application process, please feel free to contact the SELPA office at 530-822-2907 or [khopkins@sutter.k12.ca.us](mailto:khopkins@sutter.k12.ca.us), and we will be happy to provide assistance.
